Welcome to our 2019

Capital Lakefair Hospitality Weekend!

'Cut Loose at Lakefair'

Welcome to the 62nd evolution of Capital Lakefair! Our festival was established 1957 in order to provide an engaging family focused event for our community in the Greater Olympia Area. Over the years Lakefair has developed and expanded into what it is today; 5 days of celebration and community spirit along the shoreline of Capitol Lake. In addition to the July festival our organization provides scholarship opportunities and hands-on experience for area students, fund-raising outlets for other community social groups, and acts as a goodwill ambassador organization throughout the Pacific Northwest.

This is made possible by the community mindedness and dedication of many individuals and businesses that call our area home. Numerous groups contribute their time and effort year-round including our own membership, the Capitalarians, who volunteered well over 5,000 hours last season! We also owe a huge thanks to our wonderful sponsors and donors which account for a substantial portion of our annual operating budget, making our program possible year after year.

I was born and raised in the area and grew up enjoying all that Capital Lakefair has to offer. It is my privilege to represent our membership and community in Thurston County for the 2019 season. We hope you all will join us this July to Cut Loose at Lakefair; spending time with friends and family while supporting other community organizations and our future leaders as they pursue higher education. See you at the lake July 17-21, 2019!
